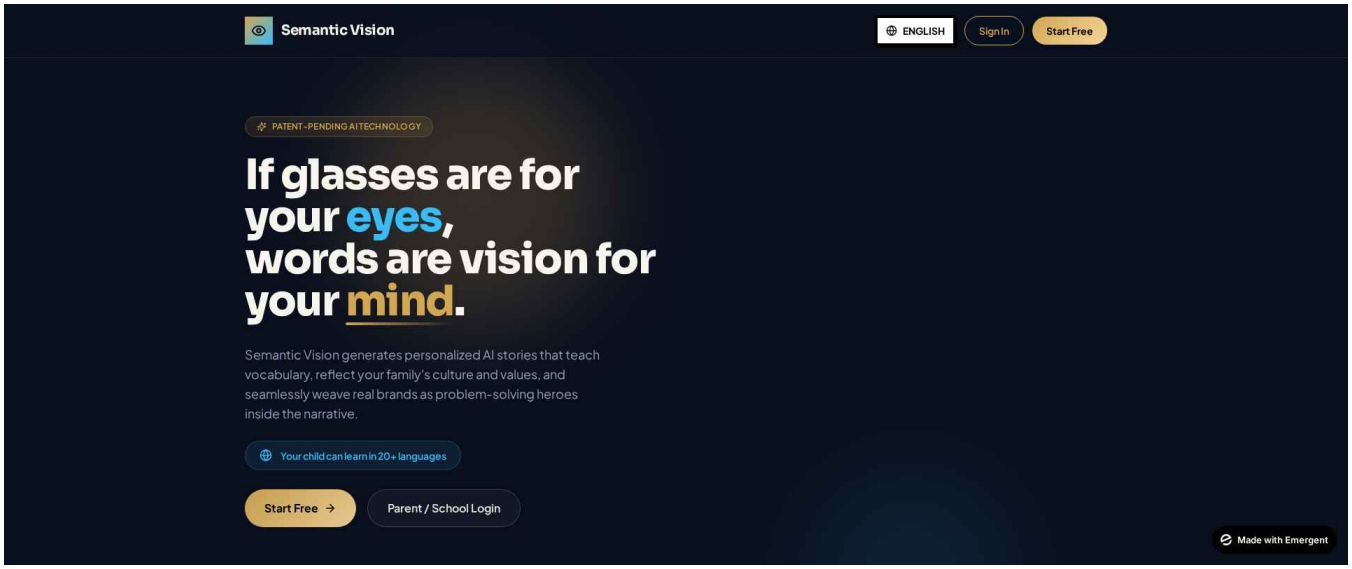
CONFIDENTIAL -- PATENT-PENDING TECHNOLOGY

TABLE OF FIGURES

Figure	Description
FIG. 1	Landing Page
FIG. 2	Unified Login Interface (Parent Mode)
FIG. 3	Unified Login Interface (Student Mode)
FIG. 4	Administrator Dashboard
FIG. 5	Administrator Brand Management
FIG. 6	Administrator Affiliate Management
FIG. 7	Administrator Word Bank Management
FIG. 8	Guardian Portal
FIG. 9	Guardian Affiliate Dashboard
FIG. 10	Guardian FAQ
FIG. 11	Public Affiliate Signup
FIG. 12	Administrator Statistics Dashboard
FIG. 13	Administrator Messaging System
FIG. 14	Administrator Spelling Bee Management
FIG. 15	Administrator AI Cost Tracking
FIG. 16	Administrator User Management
FIG. 17	Guardian Students Overview
FIG. 18	Parental Controls Panel
FIG. 19	Guardian Wallet
FIG. 20	Word Bank Marketplace
FIG. 21	Subscription Plans
FIG. 22	Audio Memories Library
FIG. 23	Peer Audio Book Collection
FIG. 24	Invite & Earn
FIG. 25	Student Progress Dashboard
FIG. 26	Student Academy Dashboard
FIG. 27	Student Story Library
FIG. 28	Student Spelling Bee + Task Reminders
FIG. 29	Narrative Reader
FIG. 30	Story Content with Vocabulary
FIG. 31	Mobile-Responsive Landing (390x844)

FIG. 1

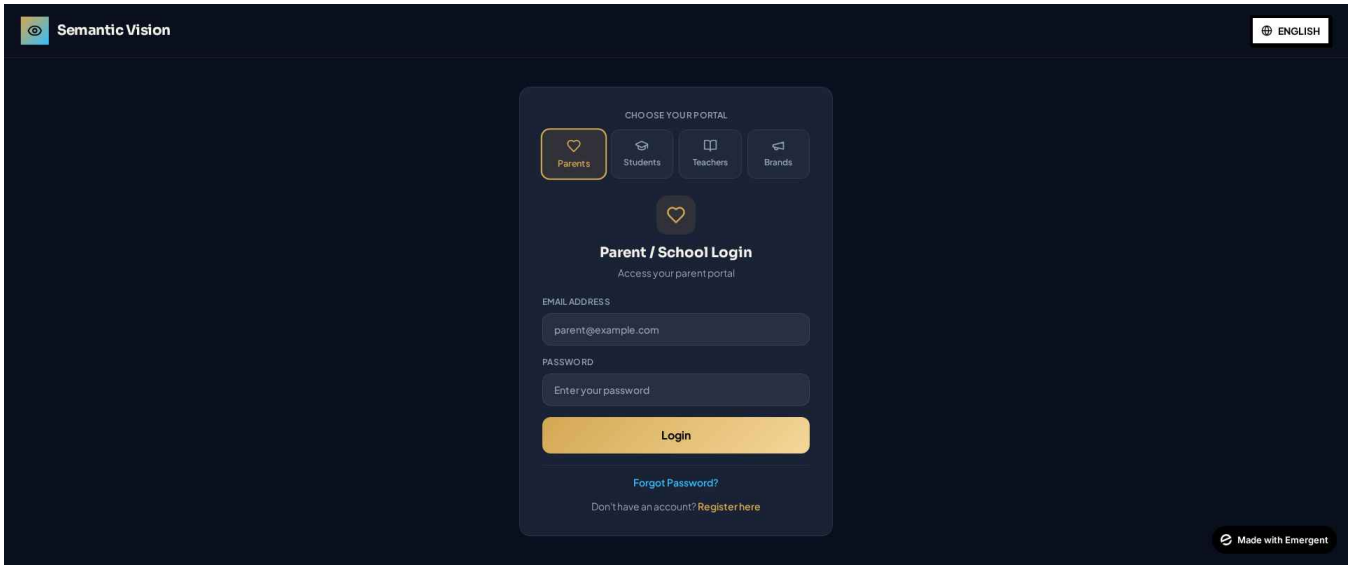
Landing Page -- Public-facing interface with 'Patent-Pending AI Technology' badge, hero messaging, 20+ language support, and multi-role navigation



Source: Live application screenshot (fig01_landing_page.jpeg)

FIG. 2

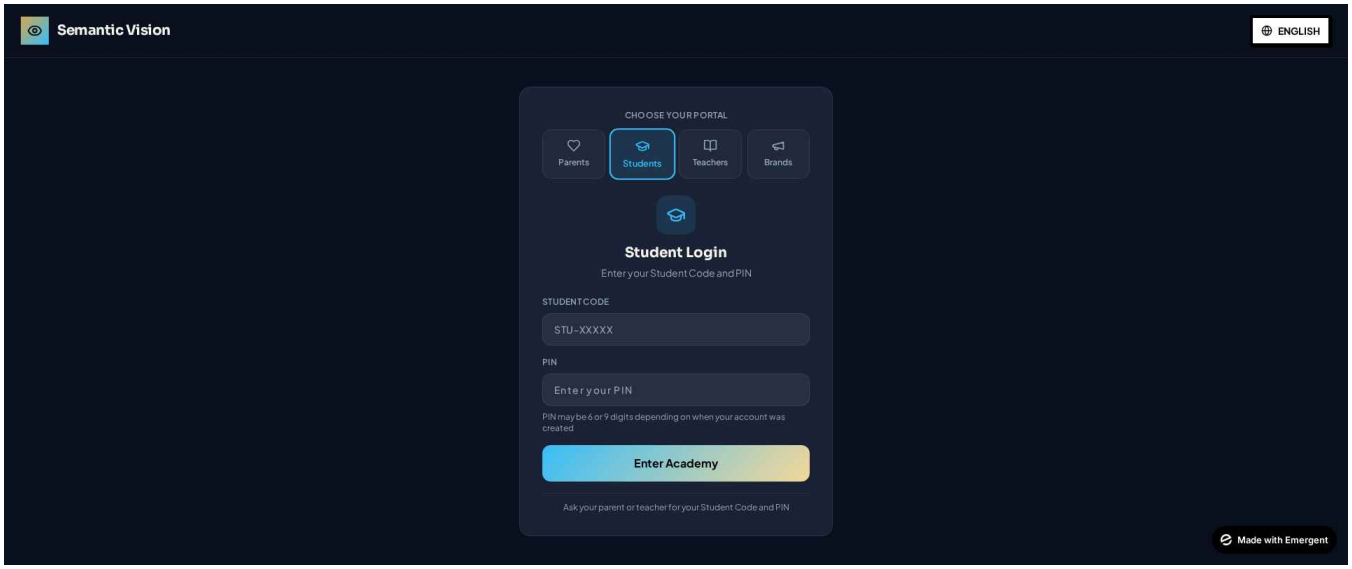
Unified Login Interface (Parent Mode) -- Email/password authentication with four-icon role selector



Source: Live application screenshot (fig02_unified_login.jpeg)

FIG. 3

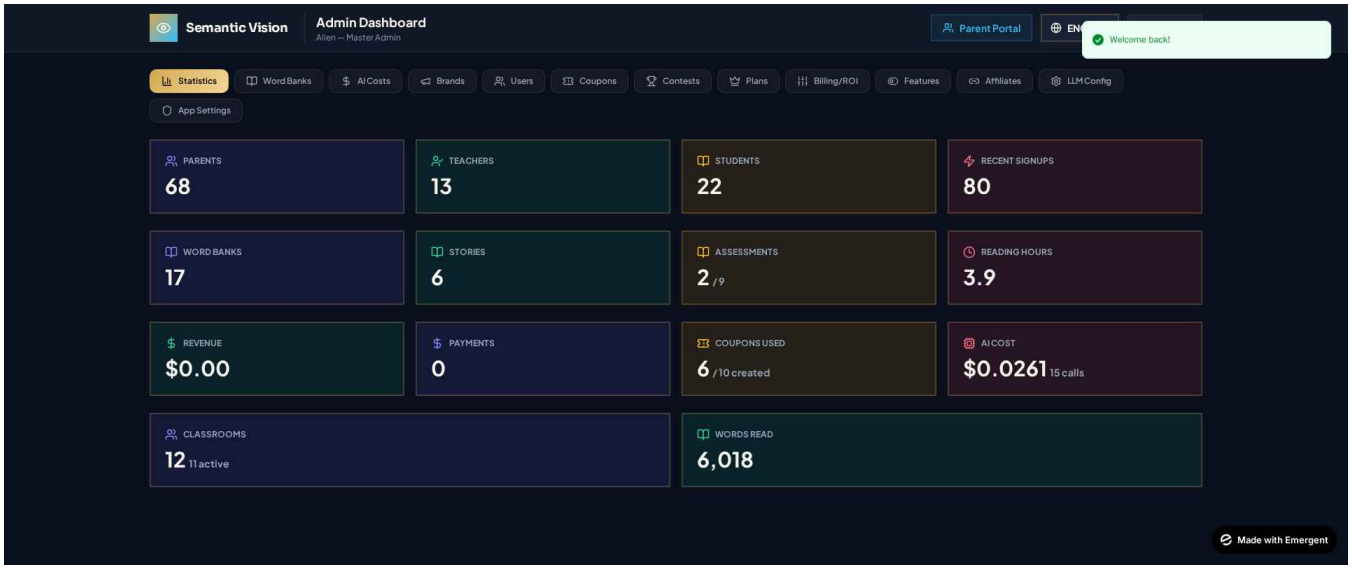
Unified Login Interface (Student Mode) -- Student Code (STU-XXXXXX) and 6-digit PIN authentication



Source: Live application screenshot (fig03_unified_login_student.jpeg)

FIG. 4

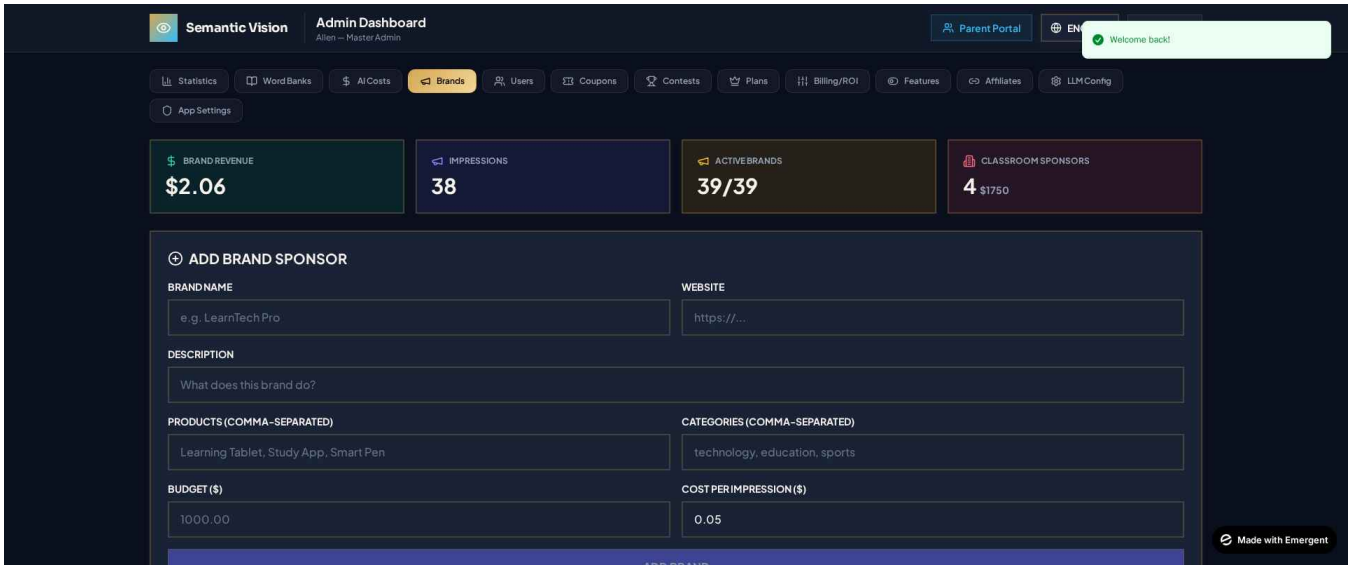
Administrator Dashboard -- Platform-wide statistics and management overview



Source: Live application screenshot (fig04_guardian_portal.jpeg)

FIG. 5

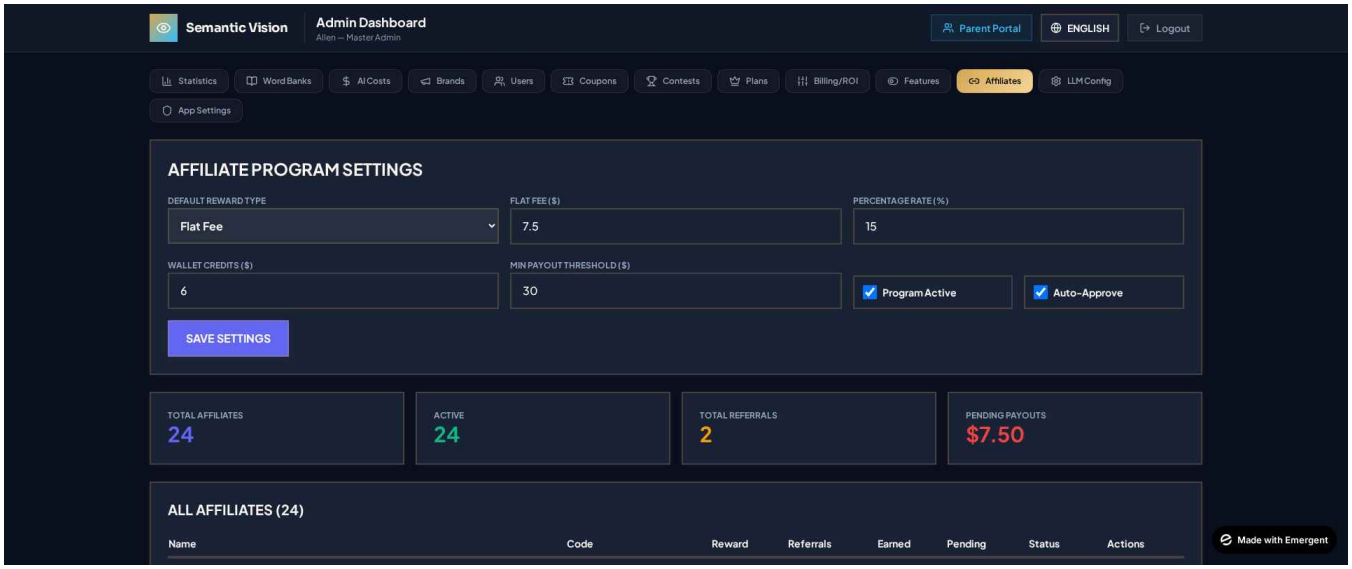
Administrator Brand Management -- Brand revenue, impressions, bid amounts, and creation interface



Source: Live application screenshot (fig05_admin_brands.jpeg)

FIG. 6

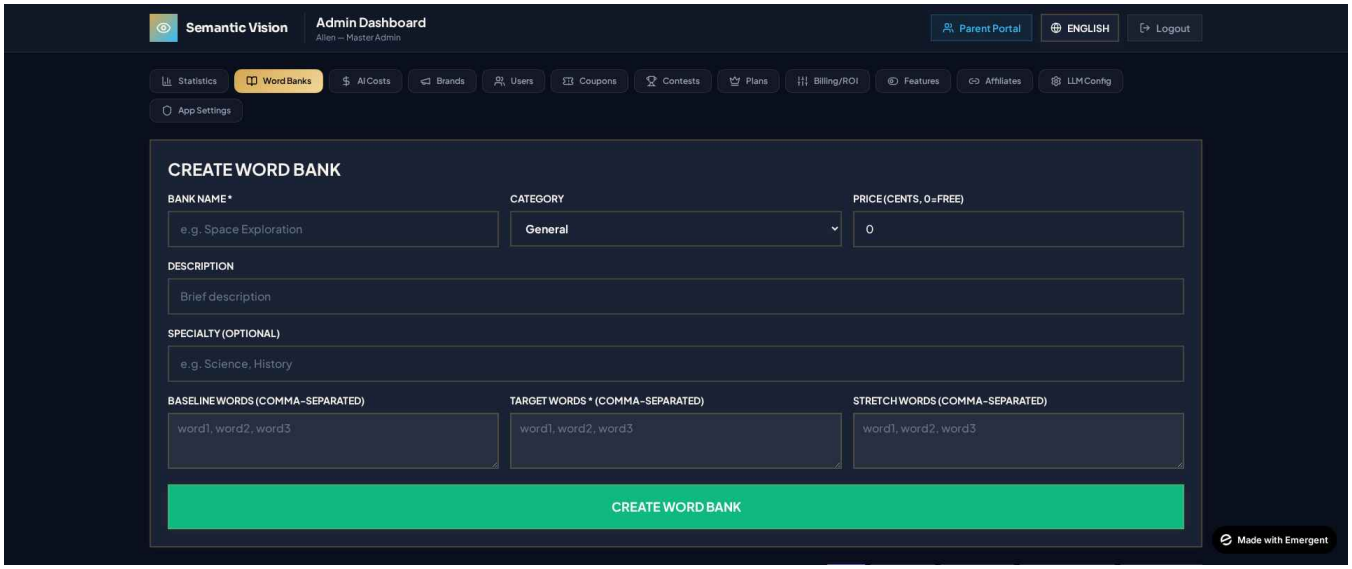
Administrator Affiliate Management -- Program settings, affiliate listing, referral counts, earnings



Source: Live application screenshot (fig06_admin_affiliates.jpeg)

FIG. 7

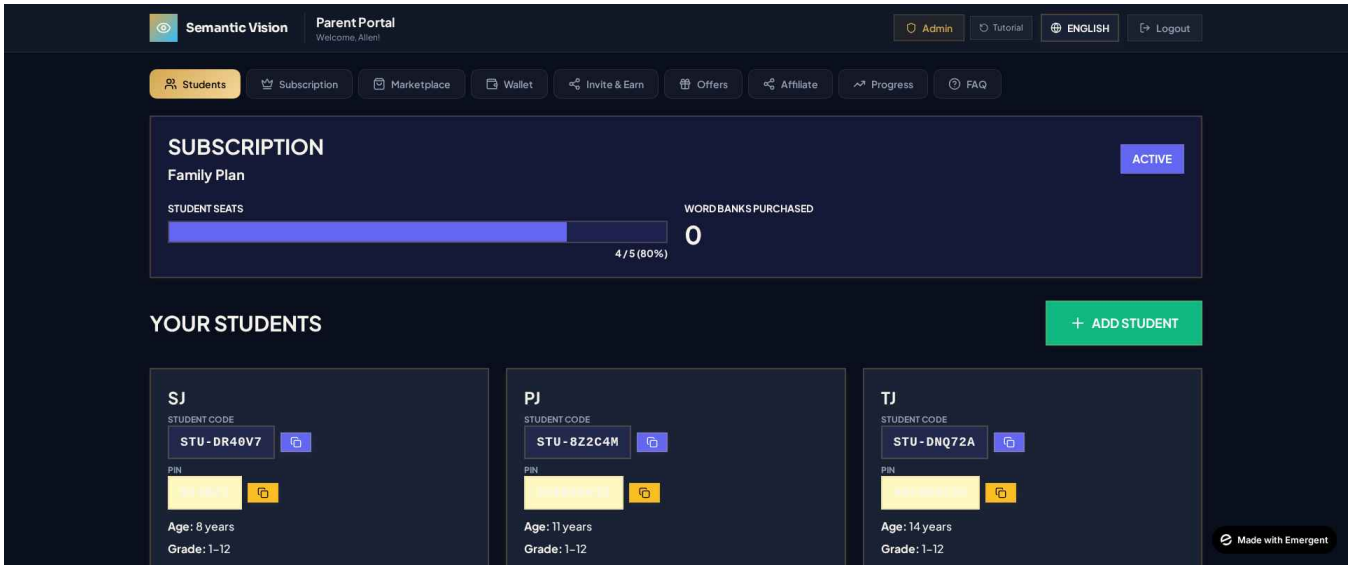
Administrator Word Bank Management -- Three-tier vocabulary input (baseline/target/stretch)



Source: Live application screenshot (fig07_admin_wordbanks.jpeg)

FIG. 8

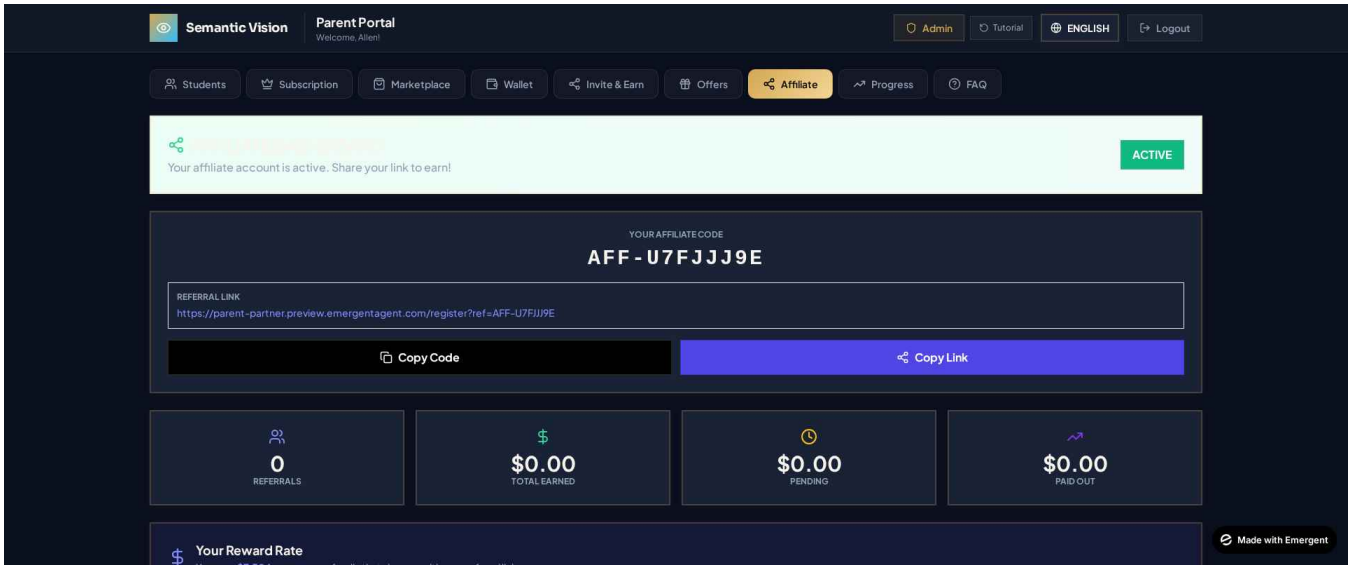
Guardian Portal -- Student cards with codes, PINs, ages, grades, and full tab navigation



Source: Live application screenshot (fig08_guardian_students.jpeg)

FIG. 9

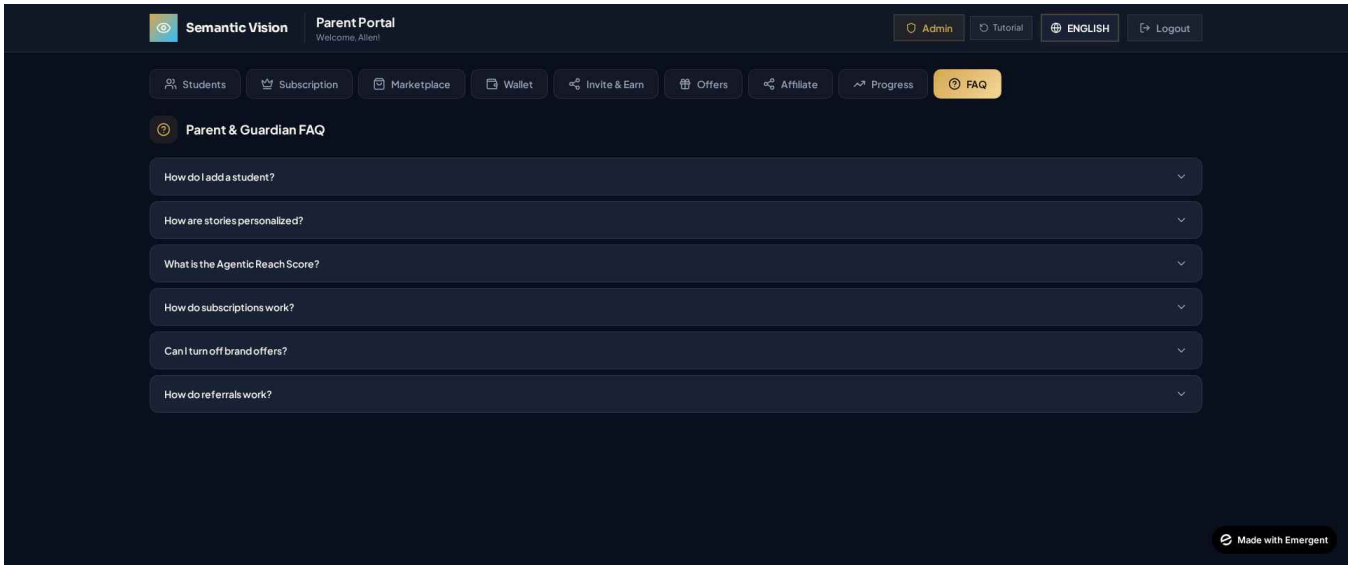
Guardian Affiliate Dashboard -- Code, link, statistics grid, reward rate display



Source: Live application screenshot (fig09_guardian_affiliate.jpeg)

FIG. 10

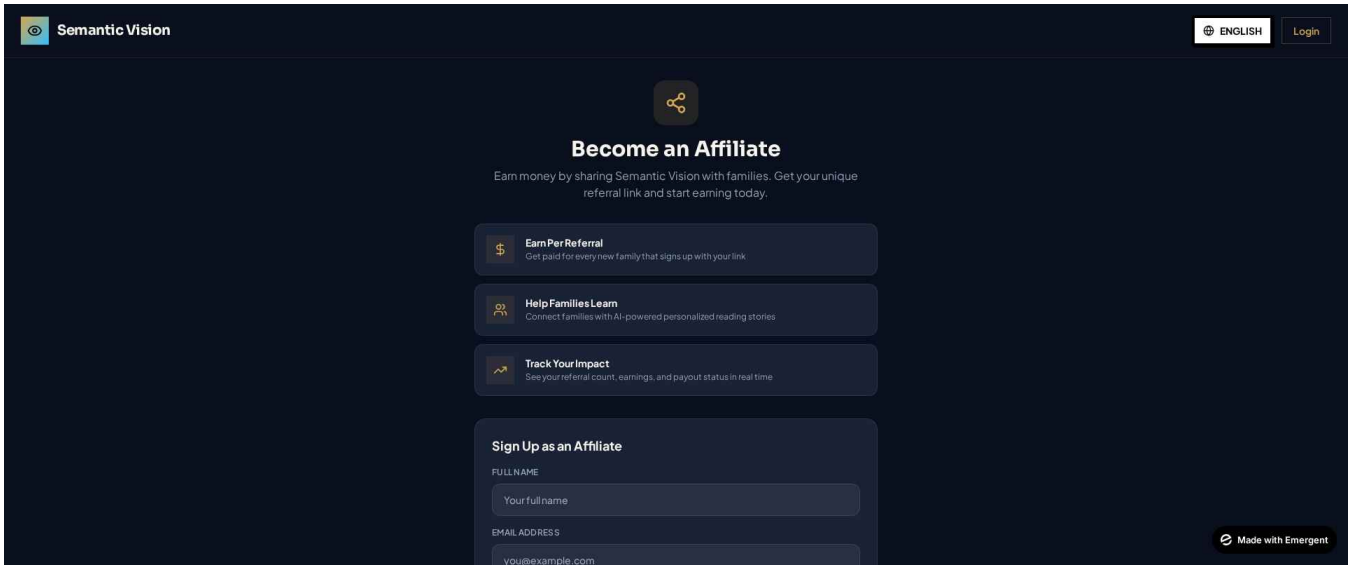
Guardian FAQ -- Expandable accordion with context-specific help items



Source: Live application screenshot (fig10_guardian_faq.jpeg)

FIG. 11

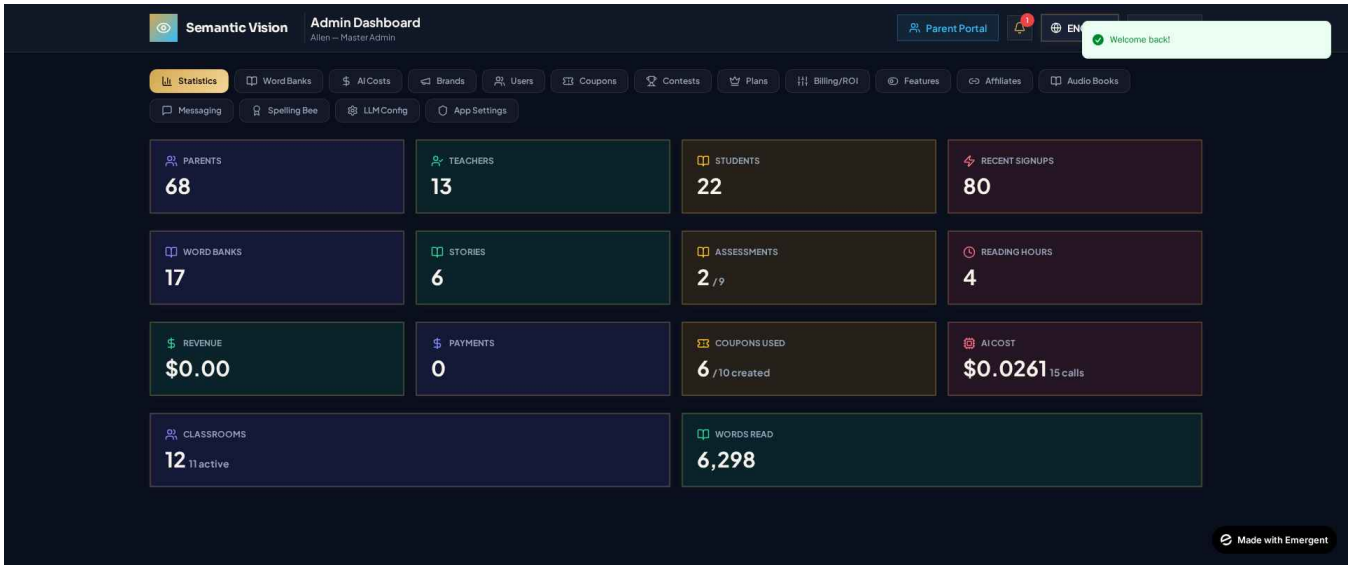
Public Affiliate Signup -- Registration form with benefit cards



Source: Live application screenshot (fig11_affiliate_signup.jpeg)

FIG. 12

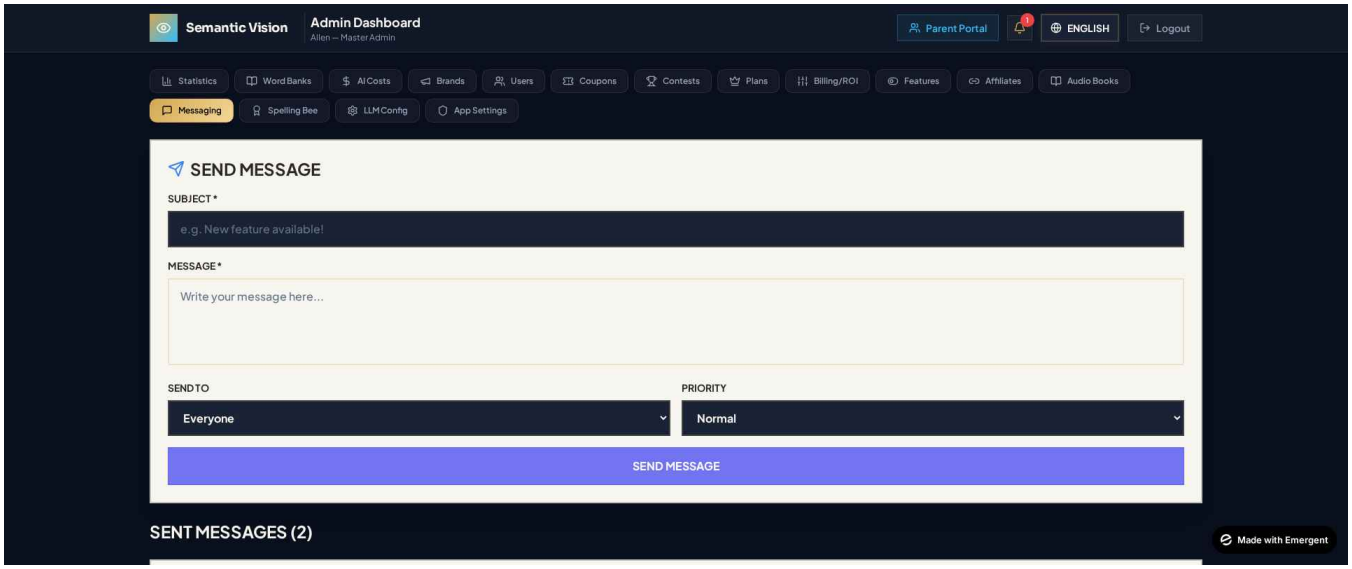
Administrator Statistics Dashboard -- Platform metrics, user counts, revenue, growth trends



Source: Live application screenshot (fig12_admin_statistics.jpeg)

FIG. 13

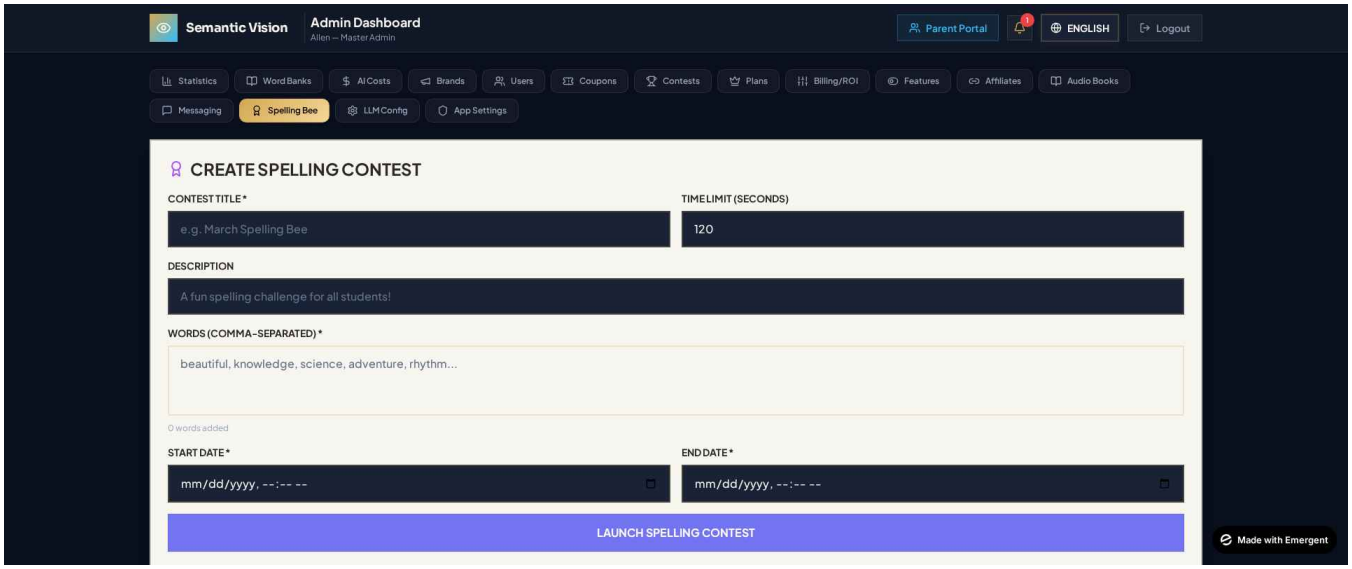
Administrator Messaging System -- Audience targeting (All/Guardians/Students/Teachers/Brands), priority levels (Normal/Important/Urgent), full 18-tab admin navigation



Source: Live application screenshot (fig13_admin_messaging.jpeg)

FIG. 14

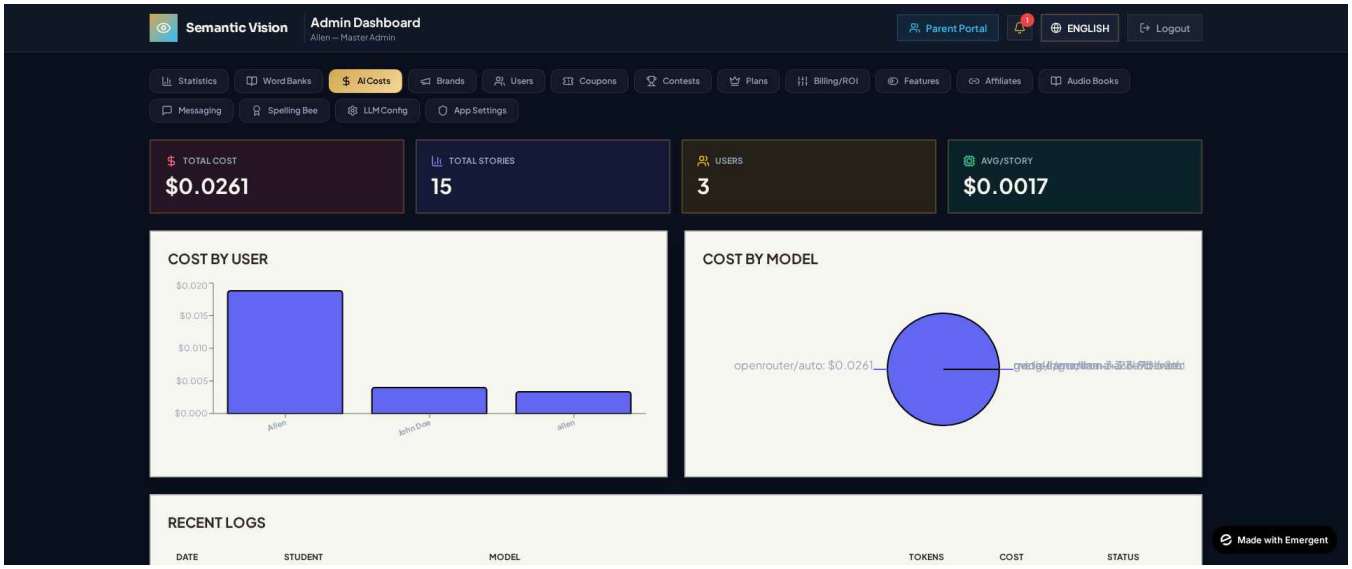
Administrator Spelling Bee Management -- Contest creation with word list, time limit, dates, and existing contest listing



Source: Live application screenshot (fig14_admin_spelling_bee.jpeg)

FIG. 15

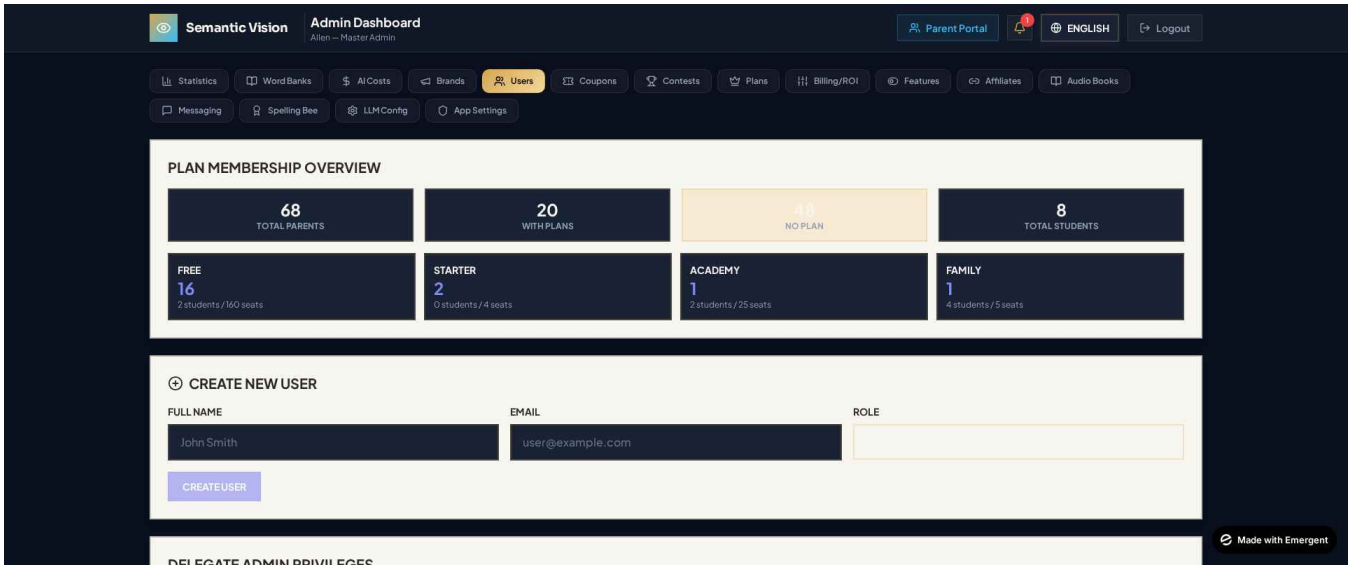
Administrator AI Cost Tracking -- Per-generation cost breakdown by model, token usage, success rates



Source: Live application screenshot (fig15_admin_ai_costs.jpeg)

FIG. 16

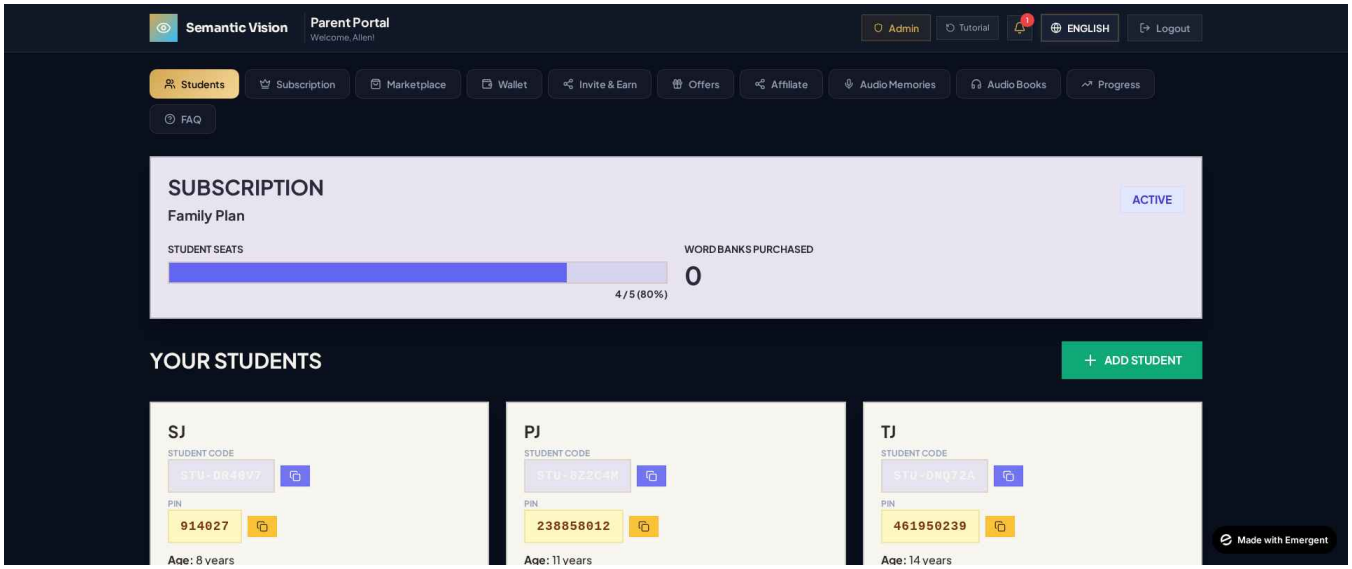
Administrator User Management -- Plan Membership Overview (68 parents, 8 students), tier breakdown, Create User, Delegate Admin



Source: Live application screenshot (fig16_admin_users.jpeg)

FIG. 17

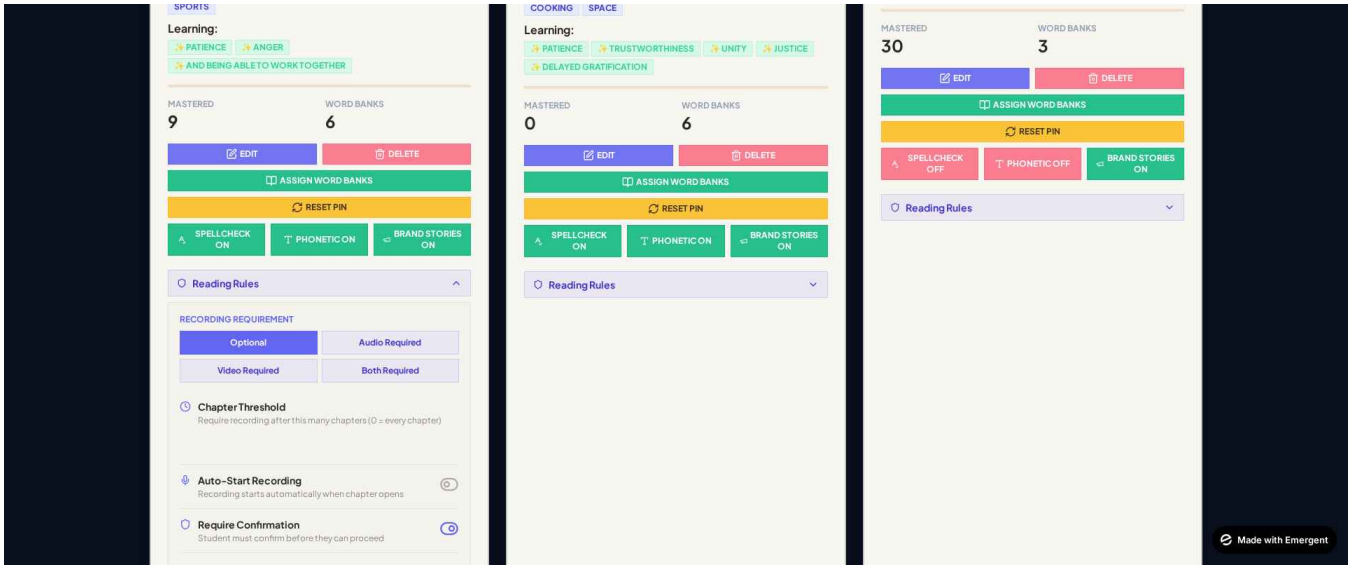
Guardian Students Overview -- Student cards with Student Code, PIN, age, grade, interests, virtues, word banks, and collapsible Reading Rules (Parental Controls)



Source: Live application screenshot (fig17_guardian_students_overview.jpeg)

FIG. 18

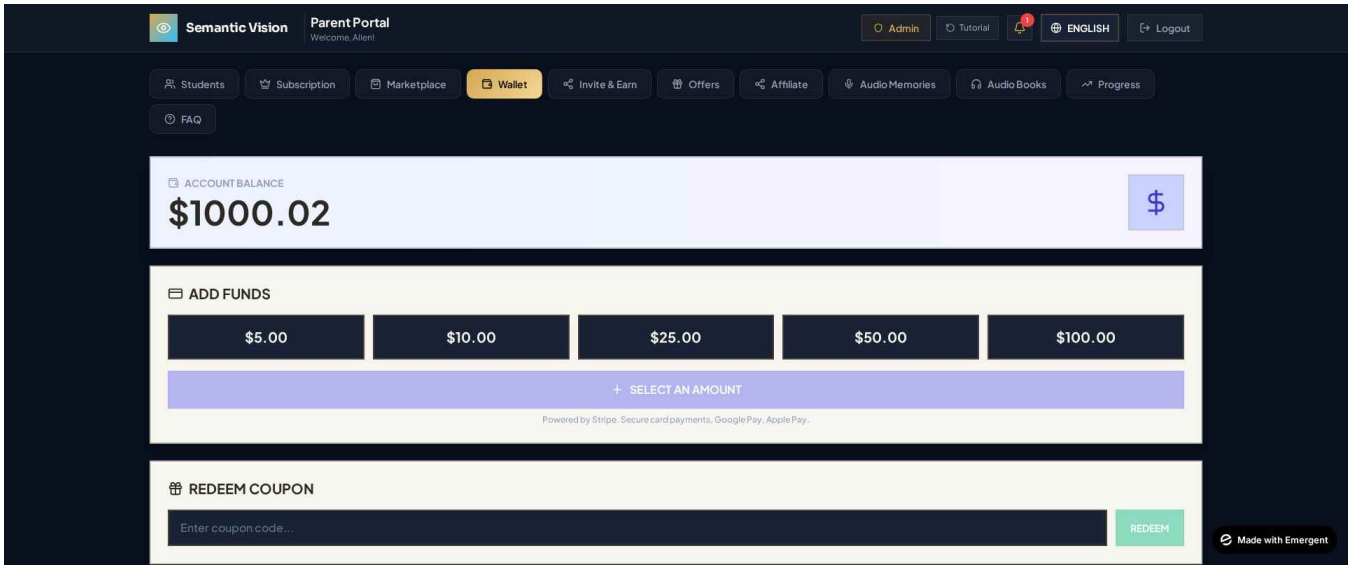
Parental Controls Panel -- Recording Requirement (Optional/Audio Required/Video Required/Both Required), Chapter Threshold, Auto-Start Recording, Require Confirmation toggles



Source: Live application screenshot (fig18_parental_controls.jpeg)

FIG. 19

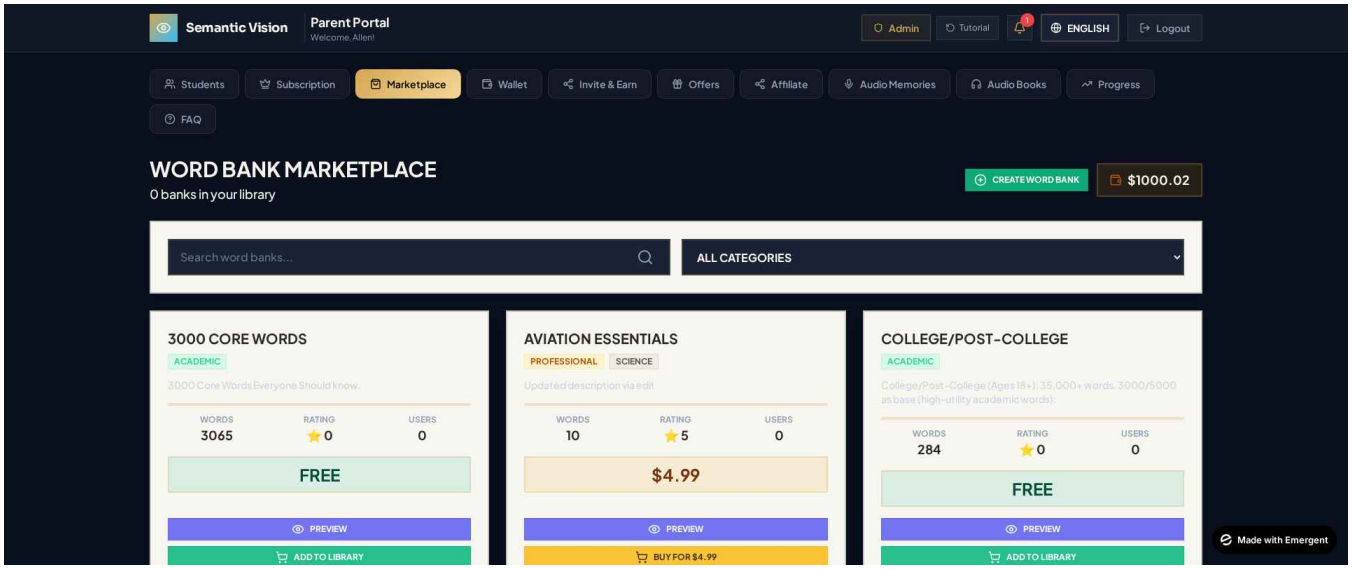
Guardian Wallet -- $1,000.02 balance, Stripe Add Funds ($5-$100 presets), Google Pay/Apple Pay, Coupon Redemption



Source: Live application screenshot (fig19_wallet.jpeg)

FIG. 20

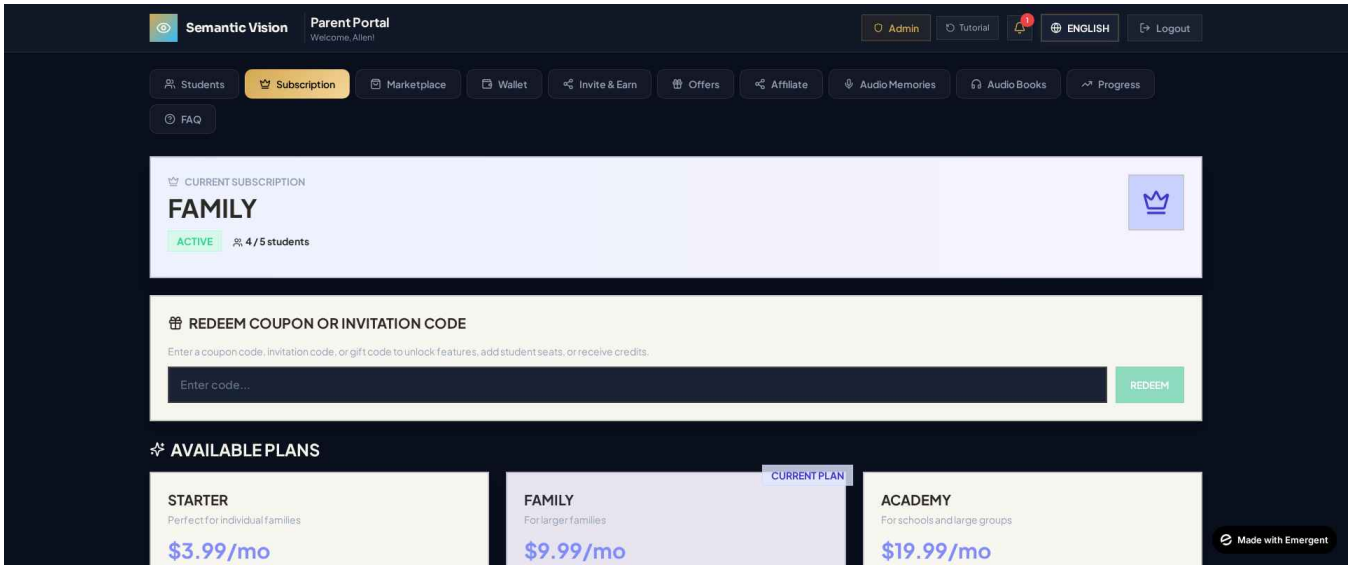
Word Bank Marketplace -- Search, category filter, bank cards with pricing, ratings, word counts, Preview/Buy buttons



Source: Live application screenshot (fig20_marketplace.jpeg)

FIG. 21

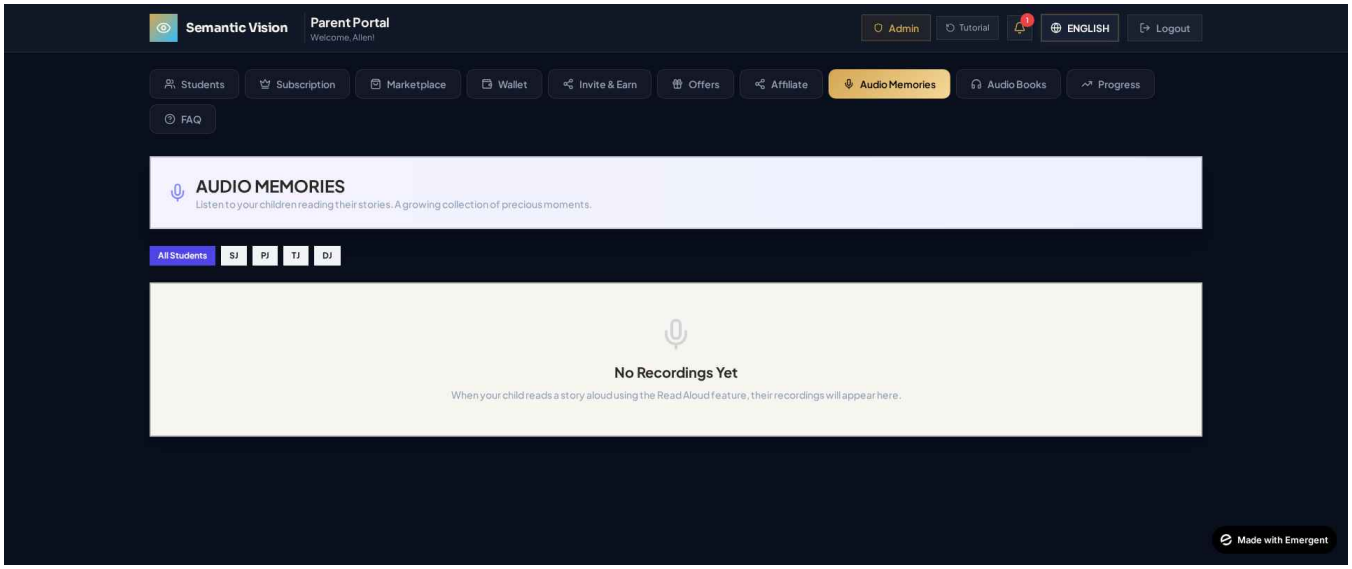
Subscription Plans -- Starter ($3.99/mo), Family ($9.99/mo, current), Academy ($19.99/mo) with feature comparison



Source: Live application screenshot (fig21_subscription.jpeg)

FIG. 22

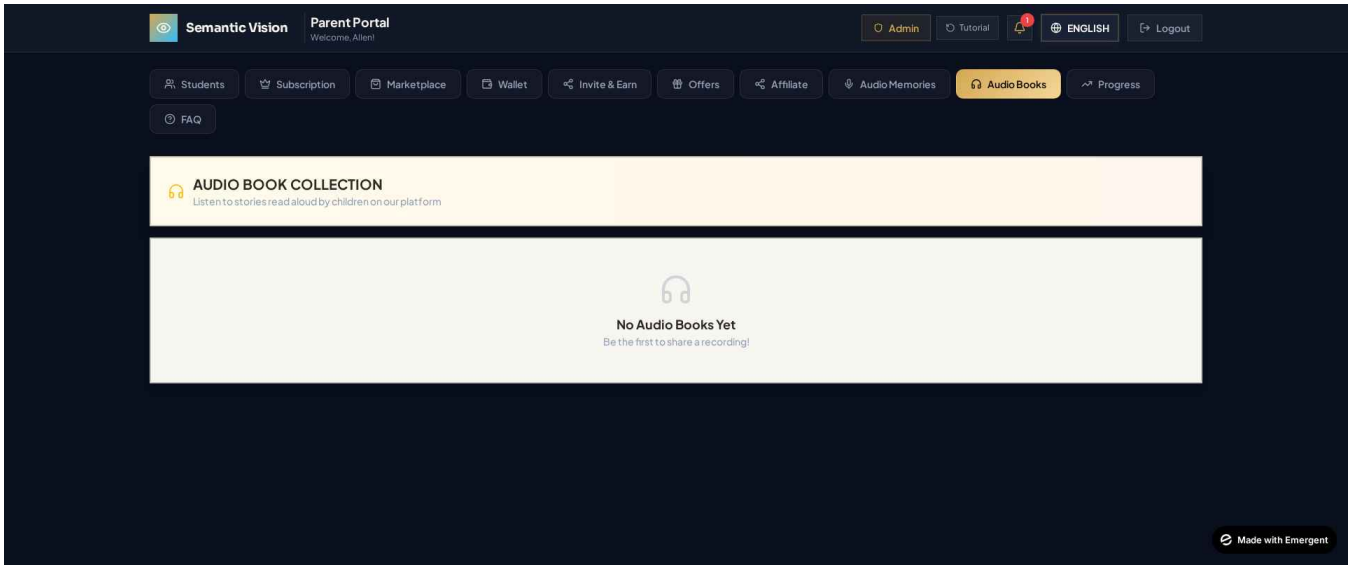
Audio Memories Library -- Per-student recording tabs, chronological recordings with diction scores and playback



Source: Live application screenshot (fig22_audio_memories.jpeg)

FIG. 23

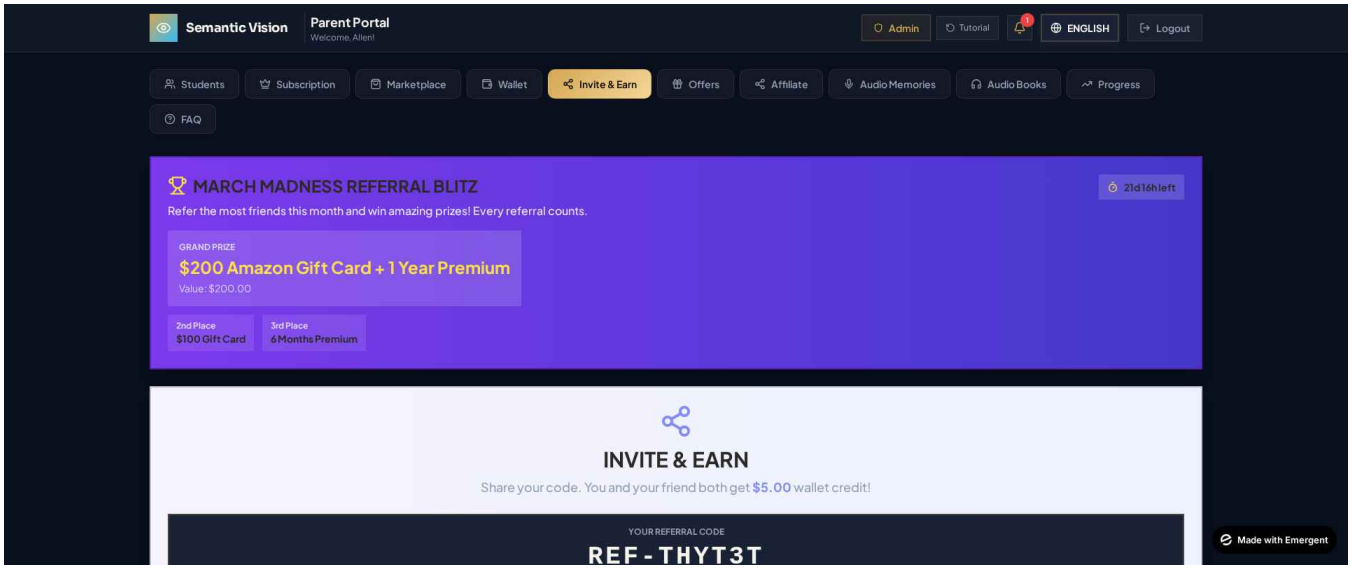
Peer Audio Book Collection -- Community-contributed recordings organized by story and reader age



Source: Live application screenshot (fig23_audio_books.jpeg)

FIG. 24

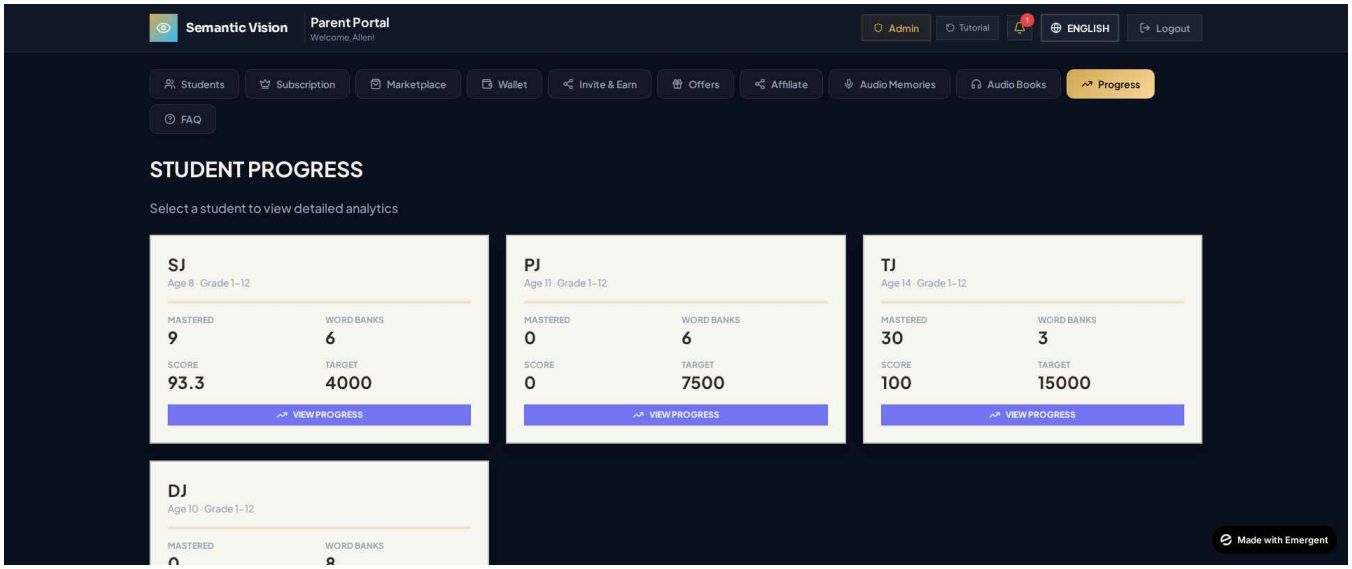
Invite & Earn -- March Madness Referral Blitz ($200 Grand Prize), referral code, $5 credit per referral



Source: Live application screenshot (fig24_invite_earn.jpeg)

FIG. 25

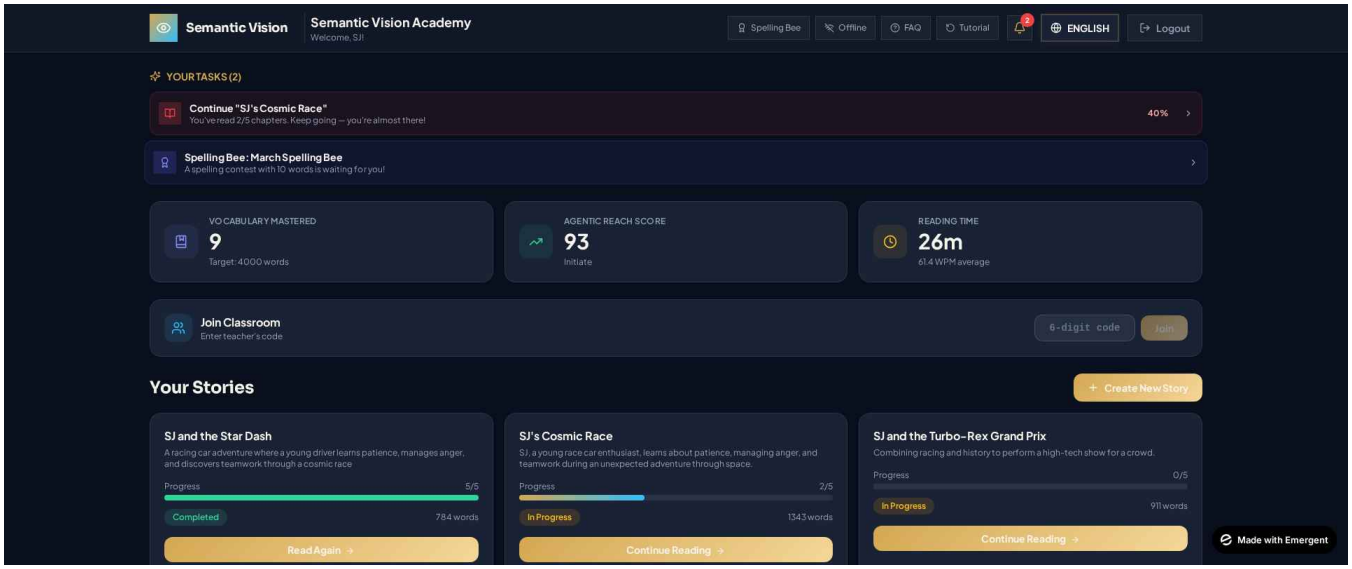
Student Progress Dashboard -- All children (SJ/PJ/TJ/DJ) with mastered words, scores, and Biological Vocabulary Targets



Source: Live application screenshot (fig25_student_progress.jpeg)

FIG. 26

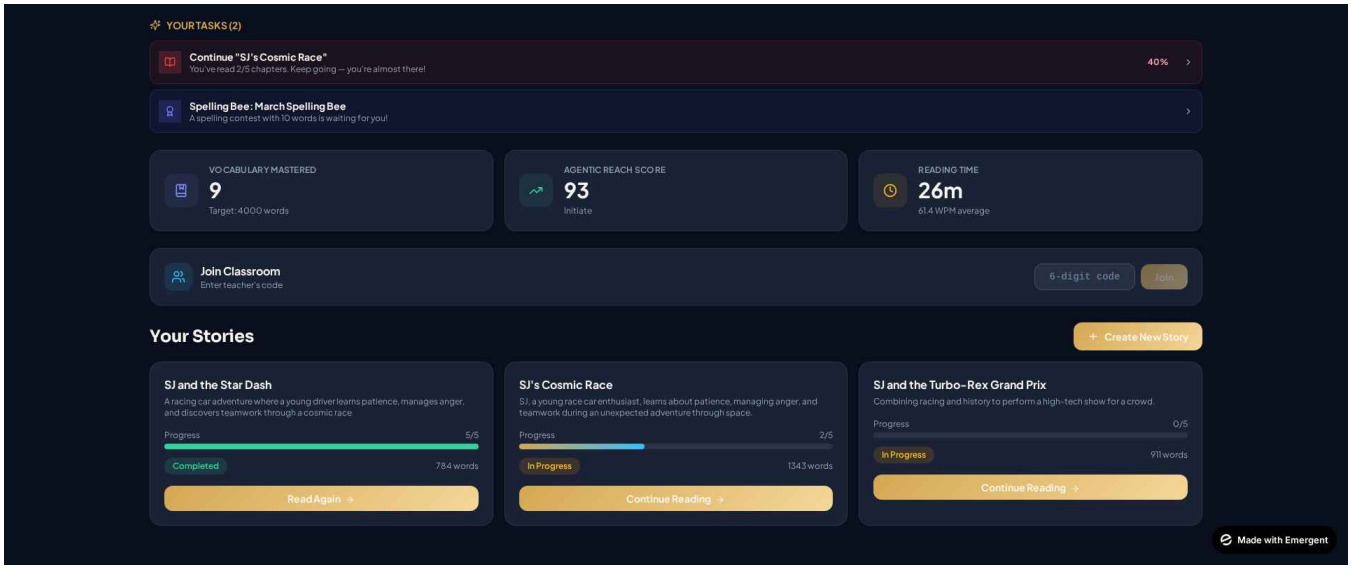
Student Academy Dashboard -- Personalized academy with Spelling Bee, Offline tabs, notification bell



Source: Live application screenshot (fig26_student_academy.jpeg)

FIG. 27

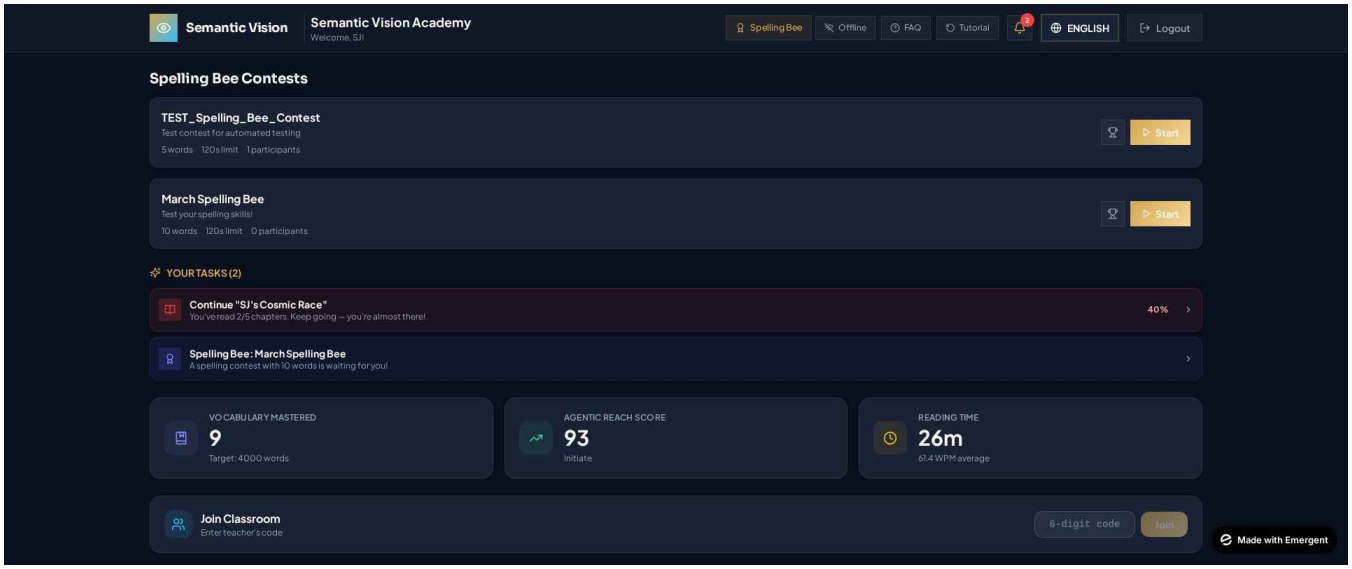
Student Story Library -- AI-generated story cards with progress indicators and continue reading buttons



Source: Live application screenshot (fig27_student_stories.jpeg)

FIG. 28

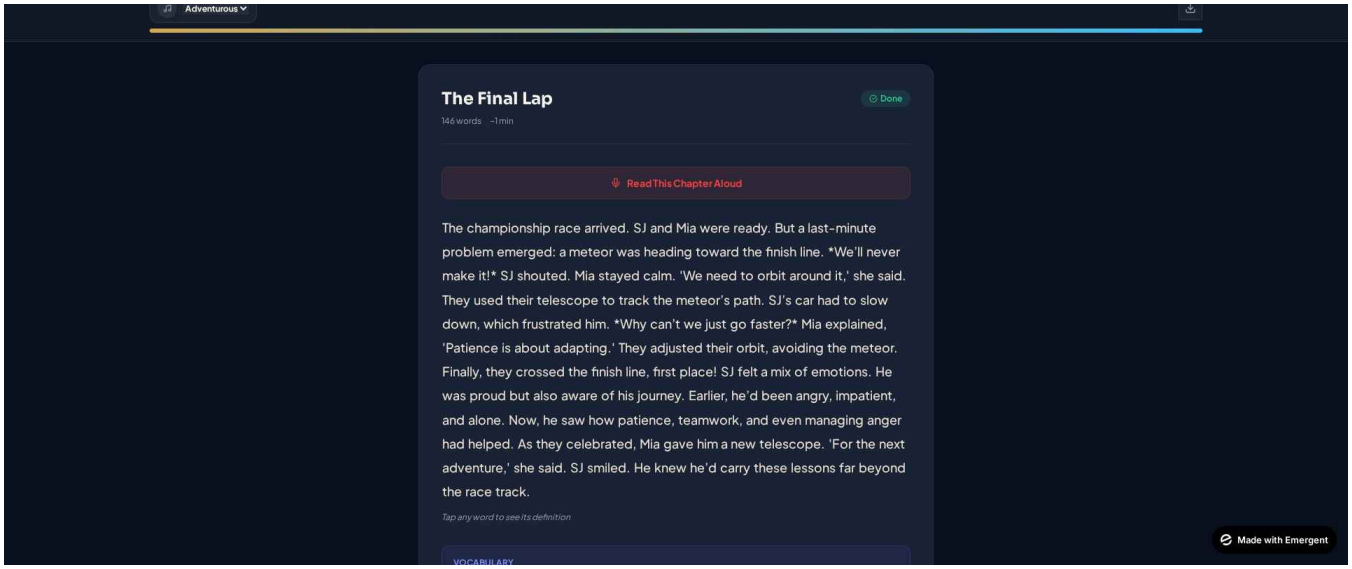
Student Spelling Bee + Task Reminders -- Contests with Start buttons, YOUR TASKS (unfinished stories, pending bees), stats (Vocab: 9, Score: 93, Time: 26m), Join Classroom



Source: Live application screenshot (fig28_student_spelling_bee.jpeg)

FIG. 29

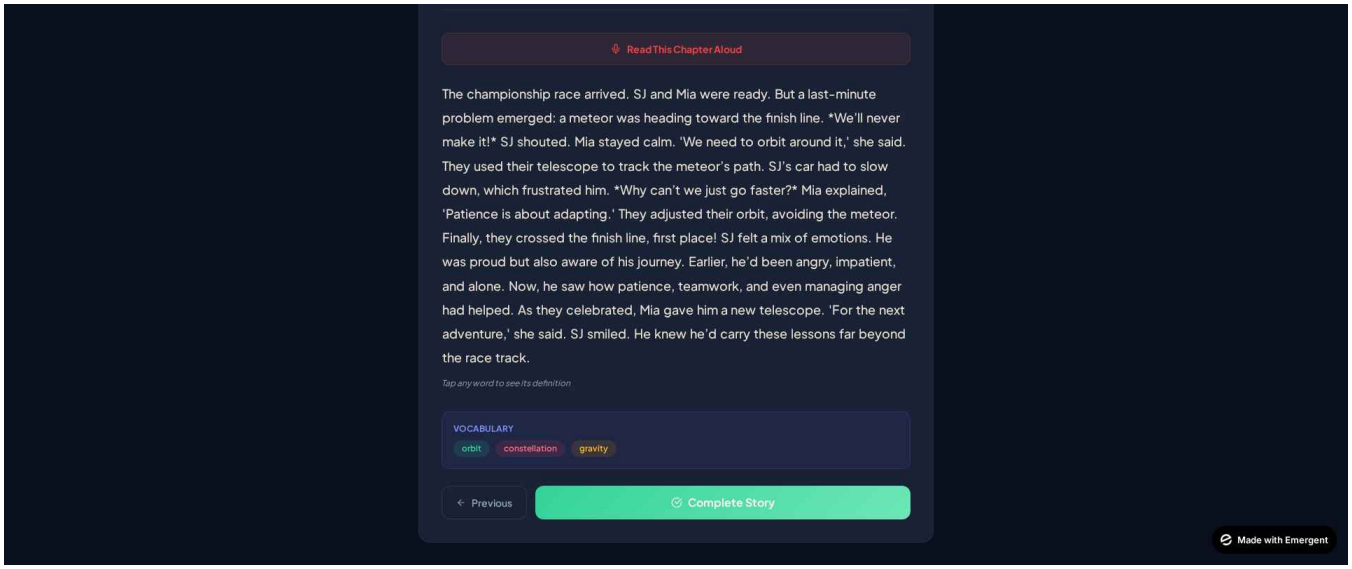
Narrative Reader -- AI-generated story with 'Read This Chapter Aloud' button, music player, chapter navigation



Source: Live application screenshot (fig29_narrative_reader.jpeg)

FIG. 30

Story Content with Vocabulary -- Full AI-generated text with student as protagonist, virtue modeling, 'Tap any word' definitions, vocabulary badges (orbit, constellation, gravity)



Source: Live application screenshot (fig30_story_text.jpeg)

FIG. 31

Mobile-Responsive Landing (390x844) -- Fully responsive layout confirming mobile-first design implementation

Source: Live application screenshot (fig31_mobile_landing.jpeg)
